**ORDER**

In a Report-Recommendation and Order dated September 25, 2007, Magistrate Judge Treece recommended that this Court grant Defendants' motion to dismiss Plaintiff's complaint. See Dkt. No. 29. Plaintiff filed objections to this recommendation. See Dkt. No. 30.

Plaintiff's objections are a series of statements having little or nothing to do with the

claims he asserts in his complaint; and, to the extent that his objections address his claims or Magistrate Judge Treece's recommendations, the Court finds his objections without merit. Therefore, because the Court finds that Magistrate Judge Treece's recommendations are legally correct, the Court hereby

**ORDERS** that Magistrate Judge Treece's September 25, 2007 Report-Recommendation and Order is **ADOPTED IN ITS ENTIRETY for the reasons stated therein**; and the Court further

**ORDERS** that Defendants' motion to dismiss Plaintiff's complaint is **GRANTED**; and the Court further

**ORDERS** that the Clerk of the Court shall enter judgment in Defendants' favor and close this case.

**IT IS SO ORDERED.**
